

It's Time for Something Different...

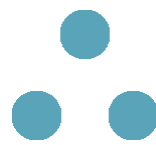

PAVESUITE 7

The field of student conduct and students-of-concern has changed so fast.. it's changing even today! It's time for a fresh, flexible, state-of-the-art decision-support tool which can keep up. Only one powerful software tool can do all this:

Anonymous and public

reporting: Provides for dedicated public portals including anonymous reporting options...

Unique *Case Tracks*

feature: Complete holistic view of the student. Control access based on users, roles and departments...

Behavioral Intervention and CARE Team:

Support your SOC team with special tools for CARE cases. Schedule Team meetings, with built in FERPA controls...

Dedicated Title IX abilities & victim support tools:

Leverage services for victims including notification emails, case outcome summaries, evidence storage, and appeal tools...

Appropriate Dispute

Resolution: Offer and track mediations, Restorative Justice, or roommate discussions, in a variety of settings...

Specific Academic Integrity

tools: Options for separate conduct processes, administered by faculty members, departments or others...

Flexible Compliance

Tools: Clery, VAWA, DFSC, and more. Covers the most recent changes in federal laws. Reporting is easy & customizable..

Extensive Analytics

Data Visualization:

Answer complex questions and let the data drive your decisions. PS7 offers many reports, structured and

Smart Alerts and

Watchlists: Set rules to notify you or your colleagues, track students, locations, and more!

Seamless real-time

integration: Its easy to connect PS7 to your Banner, PeopleSoft, and other SIS systems. We offer many options...

Exceptional Customer Service:
